

Innovus Pharma

CORPORATE PROFILE

Headquartered in San Diego, Innovus Pharma is an emerging over-the-counter ("OTC") consumer goods and specialty pharmaceutical company engaged in the commercialization, licensing and development of safe and effective non-prescription medicine and consumer care products to improve men's and women's health and vitality and respiratory diseases. Innovus Pharma delivers innovative and uniquely presented and packaged health solutions through its (a) OTC medicines and consumer and health products, which we market directly, (b) commercial partners to primary care physicians, urologists, gynecologists and therapists, and (c) directly to consumers through our on-line channels, retailers and wholesalers. The Company is dedicated to being a leader in developing and marketing new OTC and branded Abbreviated New Drug Application ("ANDA") products. The Company is actively pursuing opportunities where existing prescription drugs have recently, or are expected to, change from prescription (or Rx) to OTC.
