

CORPORATE PROFILE

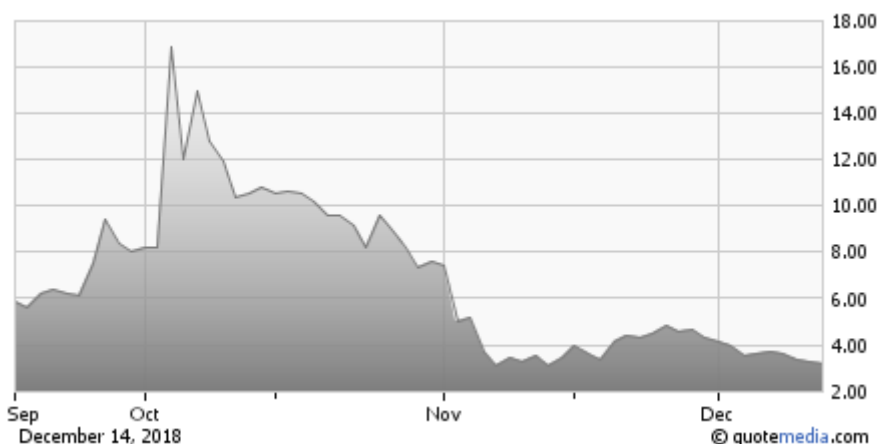

Inpixon (NASDAQ: INPX) is a leader in Indoor Positioning and Data Analytics. Inpixon sensors are designed to find all accessible cellular, Wi-Fi, and Bluetooth devices anonymously. Paired with a high performance, data analytics platform, this technology delivers visibility, security, and business intelligence on any commercial or government premises world-wide. Inpixon's products, infrastructure solutions, and professional services group help customers take advantage of mobile, big data, analytics, and the Internet of Things (IoT) to uncover the untold stories of the indoors.
